INFORMATION SHEET

“In Stitches” Workshop in “Developing/Altering Drawings/Designs etc using basic Photoshop Methods”, with Artist in Residence, June Heap, in the computer suite at Friendship House, Elm Grove, Southsea, on Friday 29 May 2009, 1pm – 3pm

Please note that the venue for this session is different from the other “In Stitches” workshops.

This session provides an opportunity for embroiderers and stitchers to explore basic and simple image manipulation using your own drawings, photo's, paintings etc, and a computer and Photoshop, or Photoshop Elements Software.

Materials and Equipment will be provided, but please note:

- We have enough **computer equipment** for participants to work, two people per computer. So, if you have **a laptop, with the above software installed**, (but don't know how to use it yet!), **please bring it with you.**
- Bring suitable images, coloured if possible – see above (**A4 size or smaller**) to work on. I will also supply design ideas based on the Overlord Embroidery in the D-Day Museum.
- Your images need to be **paper copies, not on CD-Rom or Memory Stick**
- I will print out paper copies of your end images for you to take home. For digital copies, you need to bring a **blank CD-Rom or Flash Drive/Pen Memory Stick.**
- Please bring **paper and pen**, for notes you want to make.

I look forward to working with you.
